

Annual Report

“Reach high, for stars lie hidden in your soul

Dream deep, for every dream leads the goal”

We delight in the beauty of butterfly rarely admit the changes it has gone through to achieve that beauty. It is the changes that we all go through our lives that constantly improves us. The school currently has a strength of 310 students, 21 academic staffs, 2 administrative staffs & 11 multi-tasking staffs.

The main purpose of education is to provide for the fullest possible development of each learner for living morally, creatively and productively in a democratic society achieve this. We believe that our children are empowered so that they become confident leaders of this great country. Let us become a school which is not only child centered but child driven.

Academics: Growth in academics is a result of multiple opportunity provided in school for upgradation of skill and knowledge Guidance Foundation is pace setting institute and we have already introduce few new programmes in teaching, testing and evaluation. CCE-A continuous comprehensive evaluation is implemented in our school from class – I to X. CCE removes stress in learning and provides opportunities to the children to participate in various activities and helps them to earn better credits. There is no detention up to Class-V.

Value base learning: An integral part of the school curriculum, the human values programme works at our school toward arousing intrinsic motivation to explore profound incise of mind and emotion.

Initiatives: To ensure that our students are equipped to face any challenge, our school has taken different initiatives throughout the year.

- The students of class VI to VIII explored various methodologies of mathematics using the different techniques.
- On a medical camp was organized in the school premises. The students were examined and the importance of hygiene as a vital parameter to avoid ailment was stressed upon by the medical team.
- Reading newspaper is a good habit that helps to a good habit that helps to widen our outlook and enrich our knowledge. Reading newspaper on daily basis enhances the students vocabulary, language skills, memory and concentration. We have introduced NIE- for the students to encourage them to read and keep them updated with the ward’s current events.
- On 2nd February a medical camp was organised in the school premises. The students were examined and the importance of hygiene as a vital parameter to avoid ailment was stressed upon by the medical team.

Students Enrichment programs: Our earnest endeavor is not only academic excellence but also to motivate and empower our students to be lifelong learners. Through various workshop, activities and talk series our students get exceptional learning opportunities.

- Cyber security was dealt upon in an exclusive workshop for classes VII and VIII. It was conducted by the school's computer department highlighting the need for awareness about security and privacy in the virtual world.

Rakhsa Bandhan: The students of our school celebrated “ Rakhsa Bandhan” on 19 the August with enthusiasm and joy. They made the Rakhis themselves and tied them to the wrists of not only their classmates to celebrate the special bonds of love and friendship but also on the wrists of their teachers, Principal and other members of the school to show and express their gratitude. It was yet another joyful day of Guidance Foundation to see all wrists adorned with the colourful Rakhis.

Teachers Day Celebration: The birth anniversary of Dr. Radha krishnan is celebrated as “Teachers Day” in India. The day was celebrated with zeal and zest with the prefectorial board putting up a great show to pay respect to the teacher.

The programme started with auspicious lamp lighting and vandana. All the teachers were called on the stage and were felicitated with flower and sashes. The students of primary section presented a foot tapping performance to show their gratitude to their teachers. The programme moved on with melodious number students of classes I to X. The girls of class VII raised the stage by their enchanting performance. The event moved on with energetic and vibrant performance by the students of class V and VI. The Principal blessed the students and thanked the student council for putting up a great show.

Kite Festival: “Throw your dreams into space like a kite and you do not know what it will bring back – a new life, a new friend.

On 16th September the students of primary section flew kites along with their teachers to celebrate “Kite festival” at the school premises.

Annual Day Celebration: On 14th November we celebrated our Annual Day with zeal and exhilaration. Excitement feel the air as the purpose was to honour students who have excelled in fields of academics and sports and co –curricular activities. The song by the Choir refreshes every one heart. The foot-tapping dances enthralled the audience.

Netaji ‘s Birthday Celebration: “Netaji Jayanti” is celebrated in the light of patriotism and a breeze of love for country. We celebrated the occasion to instill dedication, sincerity and sprit in the students.

Republic Day Celebration: The Republic Day was celebrated on January 26 at the school grounds. The students took pride in glorifying and celebrating the spirit of unity and brotherhood. The event began at 8:00 a.m. with the hoisting of the Indian National Flag by the chief guest of the Day Mr. Alomgir Hossain followed by the National Anthem. The students of four houses marched in their colourful house uniforms rhythmically to the patriotic tunes played by the school band. The school echoed with patriotic

fervor as the children of class IV, V, VI danced to the tunes of patriotic songs and even wore tri-coloured.

Annual Sports meet: On Friday (07.02.2022) we celebrated Annual Sports day with much vigour, grandiosity and flamboyance. The school was decked up with vibrant colours giving an ostentatious look. The fantastic turnout from the parents and the pleasant weather were the perfect boost for the students.

International Mother Language Day: We celebrated 'International Mother Language Day' with pomp and pride. We promote and support the development students' mother tongue.

National Science Day: This day culminated with thought that science is the beautiful gift to humanity and enhance we should not distort it. Our main aim was to encourage students and get them involved in the global scientific perspective as well as stimulate their understanding of how science impact their daily lives.

Educational Trip: Memories of School educational trips are among the most prominent of the formative years. While their purpose is to educate they can also be a fun bonding experience for every one involve. This enhances social personal and emotional development of the students.

Annual Picnic: On 11th February we organized a picnic to Subhasish Deep for all the students of class Sr. K.G to Class X. Picnic is indeed a source of recreation to the mind and body as well as instills the principles of sharing, teamwork, social interaction, regulation and discipline among students.

Contests:

Non Flame Cooking Contest: The Students of class V, VI, VII, VIII prepared healthy salads and sandwiches in their own dishes.

Annual school magazine: Our school magazine Prosfurton plays an important role in fostering new talent in writing for the children. Our school is not just a means for the school to communicate its thought but it highlights the success and achievement of its pursuits. Our children have been able to leave their imprint in the part they have walked till now.

Service Initiatives: Our students learn to empathize rather than sympathize.

- To cultivate compassion, charity to develop the quality of "share and care, our students extended their support to less privileged lives in the society.
- First time we have arranged blood donation camp at our school premises. We have been blessed to be supported by 42 parents who donated blood at our camp.

Environment Sustainability: It's a sheer fortune that Guidance Foundation is situated in the heart of a stretching sustained and sense-soothing verdure in the lap of uncomplicated and unpretentious nature.

We aim to work maintaining the ecological balance and offering a better environment to ourselves and our future generation. We have initiated organic waste management. The organic waste dusted for preparing manioc in school campus by using composting method. The manioc duos produce in used in organic formic.

Awareness programme:

- Our school has been declared as no plastic zone hence we encourage use of alternative packaging and caring option. Once in a month our students went out to educate surrounding pupils about the harmful effect of plastic.
- Our students along with the teachers started a campaign called "Adopted a sapling"

Sports: Strenuous exercise and interest in games is an outlet for the vigor of you.

The fantastic turnout from the parents and the pleasant weather were the perfect boost for the students.

School hostel: One of our pride is school hostel we have reworked our hostel system and lots of areas have been improved. We have initiated various activities like group birthday celebration, picnic, a guided television programmes to make our children comfortable.

- **Sport quiz:** The students we have arranged special spot quiz session. Students showcase their brilliant by rapidly answering the question. Those some of the question were very tricky, they tried to answer with confidence. They were also awarded for answering correctly.
- **Together we can:** Together we can week was organized for hostel students from 22nd April to 26th April to instill the virtues of unity, togetherness among the students. The entire week witnessed whole hearted participation from all students.

- **Book time Activity:** This activity successfully done on 2nd Saturday of every month from 6:00 p.m. 6:40 p.m. During this magical 40 minutes students were absorbed in their favourite books. Our main aim was to instill love of books and inculcate the habit of reading in children.

We are committed to provide the best hostel facility with nutritious meals and excellent housekeeping for hosteller and hence ensure enrichment, enhancement and excellence in every child.

Every day we are improvising and taking a step ahead without forgetting to retrospect and learn from the past. We are committed not to turn a blind eye to the essential human virtues of compassion, frugality and humanity so that they become socially acceptable human beings with a lot of civic sense. At Guidance Foundation highest standards of excellence are preserved and maintained to prepare future generations with a deep commitment to Indian ethos and culture in its pristine form. We transcend the potential of the students through philosophy and literature and leadership programs-helping shape the youth into leaders of tomorrow. The intellectual, social, emotional, physical, spiritual and aesthetic development of the students is fostered by providing the ideology of Laloo, Rabindranath to enhance their quality of life. Guidance Foundation is committed to provide the cognition environment through Ramayana, Mahabharata for a responsive gregarious being of tomorrow.
